

McHenry County PADS - *Community Shelter of Hope*

We MOVED to a larger and improved homeless shelter location!

New Address: **1805 S. IL. Route 31, McHenry, IL 60050**

If you need assistance, call PADS Homeless Services at **815-759-7284**. Calls are responded from 8 AM until 10 PM. Between 10 PM and 8 AM callers can leave a voicemail and PADS will respond the following day.

The overnight church shelter sites are no longer in service and the PADS Day Center in Woodstock is closed. Due to COVID -19 regulations, PADS is not operating a drop-in day center program.

The new PADS homeless shelter, serving McHenry County residents, provides a place to sleep, food, showers, laundry facilities, public telephones, lockers, transportation, access to a computer and an address to receive mail.

Please call to start the pre-admission requirements, including a background check and assistance to schedule a COVID-19 test.
